Re: Lucy L. Perry gift

Dear Will:

I enclose the original quitclaim deed of Lucy L. Perry conveying one-fifth undivided interest in two parcels of land off Livingston Road to the Wellesley Conservation Council, said deed being dated December 31 and being recorded in Norfolk Registry of Deeds on January 10, 1961, in Book 3870, at page 636.

I do not know whether Ethel has turned over to you the valuable papers of the Council, such as the Charter and the Pickle Point deed.

I suggest, however, that you might take up with the Board the matter of obtaining a safe deposit box in which to keep such papers and insurance policies, etc.

With all best wishes, I am

Sincerely yours,

EOP JR/r
